Thought for the Week

In our Anglican church, each service begins with a greeting.

The officiating clergyman says, "The Lord be with you." The congregation used to respond by saying, "And with thy spirit."

But, with the modernizing of the liturgy, the minister now says, "The Lord be with you," and everyone responds with, "And also with you."

One Sunday a visiting bishop went to a church where the sound system was known to be old and unreliable. As he approached the microphone, he tapped it several times and finally said, "There's something wrong with this!"

Without hesitation, the whole congregation answered faithfully, "And also with you."

Announcements

- **Windows!** : We will be installing windows this next week beginning on Tuesday. If you are available to assist please call Rev. Katherine at 244-8182.
- **Rummage Sale:** You can start bringing donations to church—they being stored in the children's classroom. Check with neighbors for donations, too.
- We invite you to **add your prayers to our prayer wall** in the Sanctuary, either before or after the service. They will remain up through Pentecost.
- **Donation opportunities:** Food for St. Christopher's pantry, copy paper
- **Summer help:** watering and mowing—and weed whacking—let Nancy know how and when you can help.
- **Two Contests!!! Not really—but we need your ideas.** Jr. Warden is seeking the winning designs for the altar rail (using diamond willow), and for the bell tower. The altar rail includes a one step rise for the altar area, and a ramp from floor level near the back door. The bell tower design requires that the bell will be safe, and can be rung—design open to your imagination.
